MEMBERSHIP MEETING

The April JIA General Membership meeting will be held on Monday, April 26th at 7:30 P.M. Guest speaker will be Secretary Maynard from the Department of Public Safety and Correctional Services. Secretary Maynard will be presenting an update on the Department's current projects and efforts.

WHY JOIN JIA?

JIA is dedicated to improving the quality of life in our community. Unfortunately, we do not always receive the proper support from the county and state, without bringing our area of concern to the attention of our politicians. JIA is an umbrella organization for the entire Jessup area and provides a consolidated voice on a larger scale to our local politicians and to Annapolis on the concerns and needs of the Jessup Community such as BRAC, slots at Arundel Mills, the Route #175 update, and overcrowded schools. JIA also provides numerous community activities for our children, such as Jessup Day and the Easter, Halloween and Christmas Parties.

Annual membership is \$5.00 per person. You are eligible to be a member of the Jessup Improvement Association if you are over 18 years of age, and live or own property in the Greater Jessup area. The JIA Charter defines the Greater Jessup Area as the area south of Rt. 100, west of Ridge and Rockenback Roads (not on base), north of Rt.32 and Guilford Road and east of Rt. 1. Anyone in Ridgefield is welcome to join JIA. If you are interested in joining, call Secretary, Dana Herbert, at 410-796-7999 or mail the attached membership application to her at:
